Oeuvre d'art en lien avec l'alimentation

Wie have chosen this painting because we have all see her. And it is too because she is famous.

The painter :

He is Paul Cézanne and he has made many Stillalive with fruits and white sheet. He has paint too many landscapes in Aix-en-Provence, a city in south of France. He was born in this city the 19th January 1839 and died the 22th Oktober 1906 in Aix-en-Provence.

Paul Cézanne in 1861

The painting :

Her name is « Nature morte aux pommes et aux oranges ». She is 74 cm from height and 93 cm from width and it's an oil on canvas. The colors are red and orange so it is hot colors but a blue sheet oppose hot colors. He is inspired from his last painting « Nature morte au rideau ».
